Subject: Withdrawal of Notice of Intention to Commence Small Mining Operations, Westlake Materials LLC, Westlake Pit, S/049/0090, Utah County, Utah

Dear Mr. Cusick:

The Division of Oil, Gas and Mining (Division) hereby withdraws the referenced Notice of Intention to Commence Small Mining Operations. Westlake Materials LLC may appeal this decision to the Board of Oil, Gas and Mining by filing a Request for Agency Action no later than June 10, 2016.

The Division is taking this action in accordance with administrative rule R647-3-102 because Westlake Materials has failed to pay the required permit fee for 2016. In addition, the Division has been notified that the reclamation surety is being cancelled.

The mine site was inspected on May 17, 2016, and no reclamation is required because there has been no disturbance. No mining operations are allowed.

Please contact me at 801-538-5261 or April Abate at 801-538-5214 if you have questions about this action.

Sincerely,

Paul Baker  
Minerals Program Manager
